Conducting Kinder Ready Workshops

Elementary Schools, Parent Groups and

Early Childhood program staff,

librarians, childcare providers and P-3 Partners

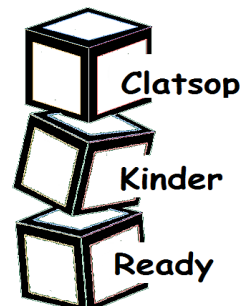

are invited to learn about

How your school or program can host or conduct

Kinder Ready Workshops

To help families prepare their 2-5 year old children for Kindergarten

- Learn how to access Clatsop Co. Kinder Ready funds for conducting workshops for families this school year
- Plan a workshop or series of workshops for your program's families using a tote bag of materials which all Participating families receive.
- Great idea for Preschool /Childcare/Title 1/ Library "Family Night" programs
- Great way for Elementary Schools to welcome and provide a "Jump Start" for their incoming Kindergartners
- Learn how to teach parents and preschoolers (2-5 yrs.)
- Examples of learning through play & exploring with a tote bag of hands-on activities teaching essential kindergarten skills
